Dear Members of the National Association of EMTs,

It is my pleasure to offer this letter of support for Shannon Watson for consideration as representative of the Region 3 NAEMT Board of Directors.

I have known Shannon for the past eight years both as a professional colleague and personal friend. Shannon has all the academic and experiential background which imminently qualify her to serve.

It has been my honor to know leaders of ambulance agencies from all across the nation. Some of the largest and some of the smallest. Shannon's skills and talents are top tier. Her passion and advocacy for the profession of paramedicine are among the attributes that set her apart. She has all the right competences and experiences that will help her in serving as an effective board member for NAEMT.

It is my view that NAEMT will benefit from Shannon's participation on the Board of Directors and I wholeheartedly support her for the position.

Thanks for your consideration.

Sincerely,

A handwritten signature in black ink that reads "BRIAN". The letters are stylized and connected, with a prominent "B" and "R".
