

# It's as easy as 1-2-3...

It's as easy as 1-2-3... for your EMS training center to start offering NAEMT's Emergency Pediatric Care course. Here's how:

## Option 1

If your training center is an accredited CoAEMSP paramedic program:

1. Provide us with your current list of PEPP or PALS instructors.
2. Ensure that your course coordinator has completed the [NAEMT Instructor Course](#)
3. Start teaching EPC 3.0!

## Option 2

1. Provide us with your current list of PEPP or PALS instructors.
2. Ensure that your course coordinator has completed the [NAEMT Instructor Course](#).
3. Provide a letter of recommendation from an EPC affiliate faculty member in your state verifying that your training center is ready to teach EPC; then start teaching EPC 3.0!

## Option 3

1. Provide us with your current list of PEPP or PALS instructors.
2. Ensure that your course coordinator has completed the [NAEMT Instructor Course](#).
3. Teach your first EPC provider course monitored by NAEMT affiliate faculty.
