Empowering EMS Begins with YOU!

Members of Congress must hear how your challenges impact your patients and care in your community. *Your representatives want to hear from you.*

Speak directly to your U.S. Senators, Representatives, and key legislative staff to help them understand how to support you and your agency. Ask them to support Treat-In-Place/TIP, direct funding, and patient and practitioner safety legislation.

Participate in Hill Day and share your story.

EMS On The Hill Day Participants have influenced a stream of federal legislation that has become law!

SIREN Reauthorization Act (2024) and yearly program increases

EMS for Children Reauthorization Act (2014, 2019 & 2024)

HEARTS Act (2024)

SAVE LIVES Act (2021)

CARES Act (2020)
