# NAEMT Foundation

## Supporting the future of EMS

A foundation is the base upon which a structure is built. The strength of the building depends upon its foundation.

Likewise, the **NAEMT Foundation** works to strengthen and build the future of emergency medical services. Its mission is to support a better future for EMS by funding EMS education and outreach.

Created by the National Association of Emergency Medical Technicians (NAEMT), the NAEMT Foundation is a separate non-profit organization administered by a Board of Trustees.

## Strengthening EMS

Ongoing challenges within EMS include the need to:

- Recruit new EMS practitioners to the field.
- Retain those currently working in the field.

The NAEMT Foundation aims to help confront these challenges and better the future of EMS by:

- Supporting outreach programs and providing information to young adults to further their understanding about EMS careers, and to attract new recruits to the EMS profession.
- Funding scholarships for individuals interested in pursuing a career in EMS, and assisting new recruits in obtaining appropriate education and training.

## How You Can Help

Contributions to the NAEMT Foundation support the future of the EMS profession. Donated funds directly assist current and future EMS practitioners. The Foundation draws its funding from:

- **Individual contributions** Anyone with an interest in leaving a legacy to better the future of EMS can donate to the NAEMT Foundation. Even small gifts can help.
- **Corporate donations** As a non-profit entity, the NAEMT Foundation welcomes donations from organizations that wish to give back. Tax-deductible donations are welcomed from corporations including other foundations, estates, regional and national organizations, and corporate and government grants.

The NAEMT Foundation is a 501(c)3 corporation; donations are fully tax-deductible as allowable under current IRS tax codes. Please consult your personal tax adviser for specific tax advice.

**The future of EMS is in your hands.** Help support and grow the field of EMS by contributing to the NAEMT Foundation.

**For questions, call 1-800-346-2368 or e-mail [foundation@naemt.org](mailto:foundation@naemt.org).**
